Perfect for performance. Ideal for rehab. Great for fitness. With a removable bench, adjustable cranks and tower, the HIIT UBE™ is one machine that really does it all.

NEW FEATURE RICH HIIT CONSOLE

The new StairMaster® HIIT console makes great HIIT workouts even more effective. Track your workout with detailed metrics, follow one of the built in workout programs, and connect you phone via Bluetooth to save and share your workout. The console also comes equipped with ANT+ giving you the ability to pair with heart rate trackers and connect to group displays. The HIIT Console now comes standard on StairMaster HIIT products.

STAIRMASTER HIIT PROGRAMMING

From the makers of the toughest workouts in the gym, comes a fierce High Intensity Interval Training program that will leave your members hurting for more. HIIT has seen a massive growth in popularity and many fitness experts believe it is here to stay, due largely in part to its numerous scientifically-backed health benefits, shorter time investment, ability to motivate participants through an engaging group environment and option to incorporate group competition. Have your trainers and coaches HIIT certified by our Master Trainers, leverage our unique HIIT products to attract members and learn to market your own exciting HIIT program to create a new source of revenue for your facility.
